Overview

We “Chintech Systems” have a presence in Gujarat, Jaipur, Bhopal, Mumbai & Pune. With 25 years of presence in Gujarat, today we are 45+ professional companies serving IT end-to-end structure and ERP solutions. Our core business is to provide Higher-end Servers / Storage / Security solutions, Campus-wide networking projects, surveillance solutions, Infrastructure support, and FMS onsite resident support services. We have executed good number of turnkey networking projects of sizes 50 Nodes to 4000 Nodes.

We are today preferred business partner in the business of BPO, Hospitals, Education and Corporate, where we provide value added services and take-up turnkey IT infrastructure project / data center building project.

We are partner with major OEMs and active part of the dealer Networks across Gujarat. The technical team is well qualified to take up challenges and deliver the success.

We are a certified **ISO 9001:2015** organization, committed to quality delivery.

Network

Trunkey Networking Project

- Campus-wide LAN networking Project - Data point, CCTV point, Voice points, Access Control point

Active Network

- Switches - Core switches, Edge switches
- Firewall, UTM and Routers
- Wireless connectivity
- Surveillance devices
- Telephony, IP telephony, Video Telephony

Support and Optimizing Network

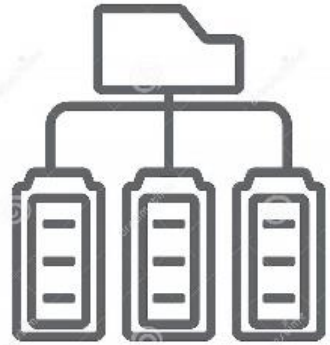

Passive Network

- Laying of cables, **CAT6A**, **CAT7A**, OFC and accessories
- Laying of network components
- WI-FI devices
- Deployment of intelligent cabling solution

Notifications

- SNMP Base Alert
- Warning Alarm
- Software Driven
- Dashboard
- E-mail notification
- integration with social media

Re-structure Networking to deliver higher uptime and optimize bandwidth usage

Data-centres

Infrastructure

- False Flooring
- Modular
- Cable Guider
- Glass-Door Fire Proof
- No Windows
- Continuity
- Fire- Barrier - robust infra
- Cabling - Data/Voice/CCTV
- Network - Managed Switching

Redundancy

- Power-UPS
- Cooling
- Compute
- Storage
- Firewall
- Backup Site
- Internet
- Network/Switch/Path

Notifications

- SNMP Base Alert
- Warning Alarm
- Software Driven
- Dashboard
- E-mail notification
- integration with social media

Safety

- Access Control - Bio Metric
- Locked Rack system
- CCTV- Video Surveillance
- Intrusion Detection
- Fire-Extinguisher
- Humidity - Water Leak Detection
- Temperature Sensor
- Smoke Detection

End Point Protection

- Anti-Virus
- EDR-End Point Detection and Response
- Encryption
- Password Policy Management
- E-mail Security

Manage & Monitor

- DLP - Data Loss Protection
- IRM - Information Right Management
- RMM - Remote Monitor & Manage
- PAM - Privilege Access Management

Forensic

- Data Recovery Tool
- Recover data from damaged hardware
- Digital Forensic

Home Automation

Light Automation

- Lighting Mood
- Personalized Lighting
- Experience AI
- Auto-Switch on / off
- motion movement
- people
- Light intensity
- Parking light on/off
- Stores area light on/off
- Safety light on/off
- Alarm light glow
- conference room lights
- Managing spot lights
- Hands free Illumination
- Control
- interior / exterior lighting
